NOTICES

Passports are required for international travel and for all air departures to or from the United States. Cunard continues to strongly urge guests to obtain a passport. CunardCare becomes effective upon payment of premium. For departures on or after December 17, 2008, Cunard Line reserves the right to re-instate the fuel supplement for all guests at up to \$9 per person per day if the NYMEX oil price exceeds \$70 per barrel. All air prices are subject to change and are not guaranteed until full payment is received by Cunard. Baggage fees and other charges may be directly assessed by airlines or airports. Once you are notified of your flight details, contact the airline as needed. Be sure to review the final payment notice for any adjustments prior to making final payment. Refer to the brochure for other terms and conditions and cancellation policy.

GOVERNMENT FEES & TAXES INCREASE

Please be advised that the Government Fees & Taxes for your voyage have been adjusted by an additional \$30.47 per person effective for bookings made prior to March 18, 2010. For bookings paid in full, no action is required. This amount will automatically be charged to your shipboard account. For bookings not paid in full, the Government Fees & Taxes have been adjusted accordingly, and the balance due has changed. Please review the balance due amount prior to making final payment.

FUEL SUPPLEMENT

Because of the escalation of fuel prices, Cunard Line has announced a fuel supplement for all bookings made on or after May 10, 2010, for all voyages departing on or after November 1, 2010. The fuel supplement for your client's voyage will be USD \$3.85 per person, per day (not to exceed USD \$154 per person) and will be automatically added to your client's booking. The fuel supplement is necessitated by significant rises in fuel prices which previously have been absorbed by Cunard Line. Unfortunately it is no longer possible to cover these significant expenses.
