# Features

- iPod Compatibility<sup>1</sup> allows you to listen to your iPod by using the built-in iPod Dock. Simply connect your iPod and press play.
- CD-R/RW Playback Capability<sup>2</sup> Plays back most CD-R/RW discs burned from either a PC or a home recording deck. Create custom mixes from your existing music collection and always have the right music at hand.
- Digital AM/FM Stereo Tuner Provides the most accurate, driftfree tuning of AM and FM radio stations and lets you choose from the wide variety of radio talk shows and music programs with the added enjoyment of stereo sound.
- 30 Station Memory Preset uses electronic settings for easy, one-button tuning of up to 20 FM and 10 AM stations.
- Full Function Wireless Remote Control (included) Allows access to all the music on your iPod from across the room.
- iPod Battery Charging While your iPod is on the dock it will charge, so you never have to worry about running low on battery life.
- iPod Universal Adapter Compatible<sup>1</sup> Allows most iPod models to fit securely in the unit.
- Mega Bass Sound System Produces rich, deep, bass tones for more powerfull overall sound.
- Audio-in Jack Let's you easily connect other digital music players to the boombox for easy access to all your music.
