The Starlighters Sizzle at the Sheraton this Summer

Batter Up! It's that time again when the burgers are grilling, the beer is flowing and everyone is styling in their cool summer fare. There is nothing better than the good ole summer time to be free and easy, especially when there is the fantastic Starlighters' Summer Casual Dance planned at the Anaheim Sheraton on July 19th. We will be swinging or maybe sweating the night away to the sounds of the band "Breakaway" on one of the biggest dance floors in Orange County. This dance floor is so large, we might need to bring out the binoculars to see one another when we are dancing. There definitely will be no worry about running over one another

during a fast polka! Because we are going to need some serious nourishment to take advantage of the spectacular venue, after an assortment of mouth watering hors d'oeuvres are passed around, we will have a delectable repast beginning with a Caesar salad and followed by apple almond chicken with oven roasted red potatoes. Of course, no dinner would be complete without a delicious piece of cheesecake with strawberry sauce for dessert. Since the food will be so amazing, no "to-go-boxes" will be needed (or allowed for that matter). As usual, a no-host bar will be available, but if

you wish to bring your own wine, there will be a \$10 corkage fee.

As long as we are feeling so carefree, we need to add that the parking is not so free... unless you are a Starlighters member!! It is free to you because the club already paid the \$125 fee; so DO NOT PAY when you park. There are definitely perks for belonging to the best dance club in Orange County!!! So do not be left out, and plan to join all of your friends for a summer frolic at the Anaheim Sheraton. Please don't delay and send your \$100.00 to Leon as soon as the thermometer reaches a warm 80 degrees. Let's celebrate summer together on July 19th.

Happy Birthday America!!

Have a great Fourth of July. Enjoy the fireworks, the backyard barbequing and all the celebration.

At this point in our lives, forget safe and sane.....let it rip! (just kidding)!

IN MEMORIAM

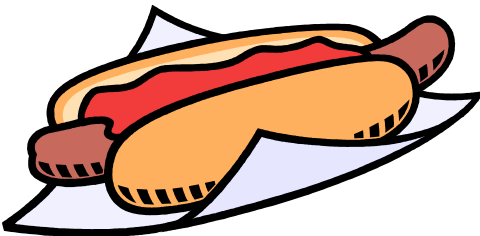

The Starlighters dance club has lost two of its long time members this year. Please say a little prayer for Sara Amador and Joe DeCamp who both passed away in 2008. Our deepest sympathies go out to their families.

Starlighters Hit Another Home Run Batting 1000 for the Spring Formal

The Starlighters had a great time at the Alta Vista Country Club again this past May. The food was excellent as usual, and everyone enjoyed dancing to our favorite band, Street Corner Symphony. We collected 45 survey responses for the dance and overwhelmingly, the voting was positive. "The only complaint from some people was that the fish was dry" said Marilyn Bailey at the last board meeting. "I let the venue know that we had a few unhappy guests". Other than those few complaints, the surveys showed, 100% thought the room and band, and 89% felt the food was excellent or good. How about those statistics?

I know, I know. I said this last time, but really good things take time to mature. Believe me, it will be worth the wait.
