### Starlighters Return to the Foxfire for 2010 Winter Holiday Formal

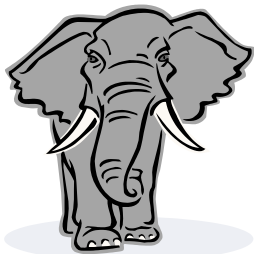

Get in the mood for the upcoming holiday season by attending the premier Starlighter event of the year, our last dance of 2010! The Starlighters Dance Club will return to the Foxfire on Saturday, November 20, 2010 to hold its annual Winter Formal. Members gave their heartiest approval of the Foxfire, Anaheim Hills, last year; so, naturally, we wanted to return to the Foxfire with their spacious dance floor, scrumptious hors d'oeuvres, and a gourmet meal, beautifully served. We will dance to the music and rhythms of Street Corner Symphony, our most popular band. Dinner features a choice of grilled filet mignon or oven roasted sea bass with a buerre blanc sauce. The main entrée is preceded by a Boston Bibb salad with oranges and a Maytag Bleu Cheese and walnut dressing. Roasted red potatoes and mixed vegetables accompany the entrée. The final course will be a beautifully prepared dessert of Tiramisu. You may bring your own select wine for a minor \$10 corkage fee, The cost will be \$125.00 per couple. Please make your reservations as early as you can after receiving your invitation. The Board appreciates it, as will the Foxfire, when you reserve not later than the Saturday preceding the dance-by November 13th. So put a fresh press on those evening gowns and tuxedos, polish up your dancing shoes, come out in a fun holiday spirit and dance the night away. **And Remember: God respects you when you work, but he loves you when you dance. (Old Irish saying) So C'Mon, Join the fun!!!**

Dancing faces you towards Heaven, whichever direction you turn.

Great dancers are not great because of their technique, they are great because of their passion.

Dance is your pulse, your heartbeat, your breathing. It's the rhythm of your life.  
It's the expression in time and movement, in happiness, joy, sadness and envy.

### Another Starlighter Success at Mile Square

Starlighters had a nice crowd at Mile Square for the Fall Semi-Formal. All who attended had a great evening. Hors d'ouerves were served by an attentive staff while the no-host bar served a variety of libations that created a convivial social happening. The Macadamia nut chicken was well prepared and served, while the decadent chocolate brownie dessert energized the dancers, moving to the mellow music of the Don Peterson Trio. Visit the Club's website to see Paul Liles' expert photography of the evenings fun.

#### A Special Note: It's Your Club!

Dear Starlighters, between now and the November dance, give some thought to a few suggestions for the Starlighter Board to help make your special dance evenings more enjoyable. Write your suggestions on a 3x5 card and give them to any of the Board members at the dance. I would also encourage you to think about becoming a Board member for next year, the dance year beginning February 2012. Many of the officers on the current Board have served more than two years, some more than three. Basically, the Board maintains the schedule of venues and bands, tracks the finances of the Club's activities, provides hospitality items, e.g. name tags, greeting, and friendship, and from time to time makes by-law updates. The work is light and can be accomplished in little time.

We dance for laughter,

We dance for tears,

We dance for madness,

We dance for fears,

We dance for hopes,

We dance for screams,

We are the Starlighters,

We create the dreams.

May you have  
The gift of Thanksgiving  
Which is sharing;  
The gladness of Christmas,  
which is Hope;  
The Spirit of Christmas,  
Which is Peace;  
The Heart of Christmas,  
Which is Love.

Happy, happy Christmas, that can win us back to the delusions of our childhood days, recall to the old man the pleasures of his youth, and transport the traveler back to his own fireside and quiet home! - Charles Dickens
