

The January dance was excellent

## WINTER CASUAL 2014

In January we had a roaring good time in spite of some technical difficulties with the lighting system as they were in the process of refurbishing the room. We understand that since then, these issues have been resolved. Thank you for tolerating this difficulty and managing to make a positive evening out of it after all – who said we weren't a fun and flexible crowd? After all, our musician, singer and actor Jon Destry created a virtual comedy act complete with props and sound effects to entertain us and keep us laughing. The music he provides is very danceable and he even taught us all a new line dance!

Frank and Barbara Martin moved down the road this fall to Escondido but promised to keep on dancing with us.

Marilyn and Bob Pokinghorn will be on the ancient silk road in April touring Uzbekistan and Turkmenistan (I got

out my atlas on this area) and in January they went to Burma (Myanmar) and visited temples and other historical sites.

Retirement is good, just ask Judith Dickinson who after 40 years of good attendance retired from Surety Insurance....Atta girl, and I retired as a CHOC volunteer after 33 years in the play room on the cancer floor...No more Mondays at CHOC

## PRESIDENTS LETTER

Welcome to All Members and Guests for the 2014 Dance Season. First a heartfelt thank you to Outgoing President Cliff Thompson and his 1st Lady Jan for a superb job these past years. Cliff kept us in stitches with his comedic sense of humor and his warm and friendly truly Texas manner. We would also like to thank Bob and Adrienne Meehan for their many years on the board serving in various positions and being instrumental in providing leadership towards moving our dance club in a most positive direction to the success it is today. We also welcome Ed and Kathy Roberts as 2<sup>nd</sup> Vice President serving to provide us with the bands that get us up out of our seats and out onto the dance floor. They already have lined up many of our favorites and some new ones to experience.

As your incoming President, and 1<sup>st</sup> Lady Donna, we look forward to sharing with you many enjoyable & special times spent socializing, laughing and frolicking on the dance floor. We welcome any new ideas, suggestions or comments you may have to share with us in order to create a dance club that all can enjoy.

## Invites you to the Spring Semi-Formal Dinner Dance on March 15<sup>th</sup> 2014 at the Alta Vista Country Club

No-host cocktail time is 6:30 PM & great dance music by Wyatt Haupt's group begins at 7:00 PM.

Wyatt particularly enjoys playing ballroom music because it gives him the opportunity to play his own renditions of the stellar composers of the first 70 years of the Twentieth Century that include Gershwin, Berlin, Kern, Porter and Van Heusen. A career educator for both Los Angeles and Lompoc Unified School Districts, Wyatt has always considered his musical endeavors as an avocation which have included childhood movie appearances, casual Local '47 work in his late teens, a composer and book writer for a musical comedy, and that of a live, musical performer modeled after the likes of the late Gil Bernal of Spike Jones fame.
