

It's Time For Thanksgiving Already

Autumn is a second spring when every leaf is a flower. ~Albert Camus

PRESIDENTS MESSAGE...

Time seems to be flying at a rocket's pace! It's already time for Thanksgiving and Christmas is less than two months away! In ten weeks it will be 2013!

You know what that means....
Time to dance with the Topper's.

Bring some friends to the dance and let's see if we can increase our membership over these holidays! New members mean new friends and opportunities to share.

Thanks to Joyce Rothrock for the fine job in putting together the membership booklet!

Larry Isham,
President

Thanksgiving Thoughts...

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them. ~John Fitzgerald Kennedy

NOVEMBER? HOW INTERESTING!

November is the 11th month of the year in the Julian and Gregorian Calendars and one of four months with the length of 30 days. November was the ninth month of the ancient Roman calendar. November retained its name (from the Latin novem meaning "nine") when January and February were added to the Roman calendar.

November is a month of spring in the Southern Hemisphere and autumn in the Northern Hemisphere.

November starts on the same day of the week as February in common years, and March every year. November ends on the same day of the week as August every year.
