

Beware Of The Turkey

It's Invite A Calorie To Dinner Season... Must Dance!

We all made it through the spooky dance...!

An optimist is a person who starts a new diet on Thanksgiving Day. ~Irv Kupcinet

PRESIDENTS MESSAGE...

The holiday season is here! Thanksgiving and Christmas are right around the corner. That means it is time to dance!

Please begin to think about the Mistletoe Ball as people make plans for the holidays well in advance.

December 12th is the Mistletoe Ball and the Petroleum Club will not be co-sponsoring it this year and to make it a viable dance, we need to have 75 people join in our fun.

So please think about friends, neighbors, or family that would like to partake in the Mistletoe Ball this year. Open invitation to anyone who would like to join us!

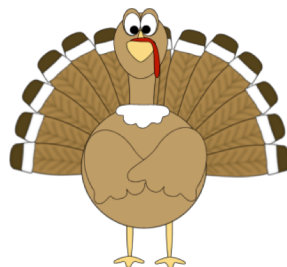

So plan to join us for our pre-Thanksgiving festivities on November 21st. The Time

Machine will keep us dancing and shoo away those pesky calories.

Tony Carinino was hospitalized just before the last dance and we were fortunate to have Sam Conti and his band to fill in!

We also welcome two new member couples, Don and Linda Sebern of Rossmoor and Dr. Richard Steiner and Frieda Mau, all friends of the Liles'.

President*

THOUGHTS ABOUT THANKSGIVING

There is one day that is ours.
There is one day when all we
Americans who are not self-made
go back to the old home to eat
saleratus biscuits and marvel how
much nearer to the porch the old
pump looks than it used to.
Thanksgiving Day is the one day
that is purely American. ~O. Henry

THE TURKEY IS SPARED...

Since 1947, the National Turkey
Federation has gifted a live
Thanksgiving turkey to the White
House, along with two butchered
turkeys.

It's not known exactly when United
States presidents began pardoning
the White House Thanksgiving
turkey, but the tradition is thought
to be connected to Abraham
Lincoln sparing a turkey named
"Jack" from becoming the main
dish in a holiday meal.

Today, the Annual Turkey
Ceremony takes place in advance
of Thanksgiving, and the public
has the opportunity to name the
spared turkey, who lives its
remaining days at the Kidwell
Farm, a petting zoo in Virginia.
