- Confirm your airport terminal for check-in, verify your recommended arrival time, and print boarding pass.
- Confirm which travel documents you'll need and review security measures.

If you're unable to locate any of your checked luggage upon arrival, or notice that your luggage has been damaged, you should follow these steps:

2. Make sure to tell them that you are a Royal Caribbean® guest and the name of the ship you are sailing on.
3. Provide them with a copy of your Travel Itinerary (*found on on the bottom of the page*).
4. Provide them with these phone numbers: 800-256-6649 or 305-539-4107 so they can determine the ship's location.
